

C O N N E C T E D F U T U R E

We help Companies to Save on energy costs and Pollute less  
with INDUSTRY 5.0 solutions

#### Industrial IoT

We extract data from old machines,  
using our sensors

#### Energy Monitoring

We monitor the energy consumption of  
each machine

#### Energy Dashboard

Data analysis and forecast  
on costs and CO2-e

**From 10% to 30%  
savings on  
energy costs**
